

REPORT OF ACTIVITY

- **Name of the Activity** : Social Science Model Making
- **Conducted on** : 30th January 2024 (Tuesday)
- **Group / Class** : C (Classes VI – VIII)
- **No. of Participants** : 44

This activity was conducted for students in order to encourage them to develop the psychomotor skills and engrave their imagination into models and specimen creation.

Students this time focused more on sustainable models made up of clay, mud and other recycled materials which create less wastage of resources.

Results:
